

**SCHMELLING** One moment. (*He crosses to FLICK*) I see you are about to consume a knockwurst sausage. I will join you.

**GRUBER** Bring a chair over here for the General so that he may consume the sausage.

**RENÉ** *brings a chair.*

**FLICK** Unfortunately, this will not be possible. I am about to return to my quarters to consume it there.

**SCHMELLING** I wish to consume it here.

**FLICK** This is a Gestapo sausage. See, it has a little swastika on it.

**SCHMELLING** Are you refusing to share with me your sausage?

**FLICK** In a word, yes.

**SCHMELLING** Your insubordination has been noted.

**FLICK** I must warn you that my godfather is Heinrich Himmler.

**SCHMELLING** I see. If ever he falls out of favour, expect a threatening phone call about midnight.

**FLICK** The Gestapo is ex-directory.

**SCHMELLING** We will instead sit at the table of the Colonel and the Captain.
