

AUDITION PIECE FOR SNOW QUEEN AND YETI

SNOW Q You! Yeti! Hand me my drink. I am thirsty. (Yeti gives her a tray with a goblet on it. She takes a sip). More ice! (Yeti grabs a huge lump of ice from the stage and brings it to her)

YETI Urrghhh! (As in, "here you are")

SNOW Q A smaller lump you lumbering pile of fluff.

YETI (Behind the throne he breaks it up, unseen by the audience with sound effects. He produces a small lump) Urrggh (As in "a small lump for you")

SNOW Q I'll give you a small lump if you don't behave. Right on the top of your head.

KNICKET (Enters from SL) Excuse me your majesty. May I introduce myself. I am Robert/Roberta H Knicket, with a "K" and I bring you something you may be interested in.

FILTCH (Enters from SR dragging a rope, that is connected to Heidi off stage) I am Septamus/Hybiscus Filtch, erm, with an "F".

SNOW Q You thought I would be interested in ... (Indicating Filtch)...this?

FILTCH (Showing her the rope) Oh no your majesticals, this.

SNOW Q And why would I be interested in a rope?

KNICKET Allow me your royal frostiness. (He/She pulls the rope and on comes Heidi)

SNOW Q A young girl. Why would I be interested in her?

GRANNY My long lost husband. Apfel. It's your Grandpa Strudel.

YETI My wife, Aubergine!

HANS Aubergine Strudel (Said in disgust)

YETI Don't knock it till you've tried it!

NEES She was born a Mousaka but married a Strudel.

YETI I became lost in a snow storm that came down suddenly from the mountains. I took shelter in an ice cave but the Snow Queen found me. I was exhausted and she used the mirror and her powers to turn me into a Yeti and become her slave. But when I saw my little Aubergine our love broke the spell.
